**Subject:** Object to Mandated Insurance Coverage of Contraceptives and Abortifacients  
**Date:** Monday, August 08, 2011 9:31:03 AM

---

Respect for conscience is continually tested and challenged, yet it is essential that such conscience protection be granted for not only religious employers, but for all employers, insurers, and policy issuers with moral, ethical, or religious objections as well. We oppose the mandated insurance coverage of Contraceptives and Abortifacients...and we oppose the way government is not respecting the right of conscience in religious and moral matters.
